

a **passion** for life

1st-7th March

at St John's Lindow

Introducing ...

Our main speaker, Lee McMunn is a graduate of the London School of Economics and several years ago worked at St John 's.

He is now associate minister at a church in Hull, and married to Vicky, who works in a local high school.

Lee is an engaging communicator of the Christian message, convinced of its truth and relevance for today.

As well as the main programme (opposite) there are informal discussion groups taking place in people's homes locally, daytime and evening. Please get in touch if you would like to be involved.
