

Church Weekend Away

Friday 21st to Sunday 23rd March 2025

'Jonah – an ocean of mercy!'

Join us for our weekend away at Cloverley Hall - once a country house but now a Christian conference centre, set in lovely grounds and surrounded by countryside.

There are lots of bedrooms of different sizes (some en suite) with various lounges, a games room and a swimming pool. Outside there's lots of space for football and volleyball, a tennis court and a children's play area.

Our main speaker for the weekend is Chris Thornton, the pastor of Ford's Lane Church in Bramhall. He and his wife Fiona moved to Bramhall in 2022 from Hong Kong where they had lived for 11 years. They have 2 young children and when not chasing them around he loves playing the guitar, sport, reading, and meeting people from other cultures.

There will be separate programmes for children and youth.

Address: Cloverley Hall
Calverhall, Whitchurch
Shropshire SY13 4PH

Shona Hannant will be leading the children's programme.

Shona is the Children and Community Worker at St Andrew's Livesey in Blackburn. She previously worked for a church in Dagenham and has recently moved north. As well as teaching children on Sundays, Shona enjoys visiting local schools and finding ways to connect with the local community. To relax she loves a walk in the countryside and a pub lunch.

We are grateful that James Doo has agreed to join us once again to lead the youth programme.

James is now in his second year as curate at St John's Hartford, and many will remember him from when he was a ministry trainee here, between the years of 2018 and 2020.
